IDENTIFICATION NUMBER: C00437525

REFERENCE: JULY QUARTERLY REPORT (04/01/2012 - 06/30/2012)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- A review of the reports filed by "Romney Victory Inc." discloses a \$5,000 contribution made by your committee on 6/12/12. However, your reports do not appear to disclose a disbursement to this committee. Further, a miscellaneous electronic submission filed by this committee on 5/17/13 states: "The Commission requested clarifying information regarding transfers from other Committees which had not been disclosed on their reports of receipts and disbursements. Our committee has researched each of the receipts identified, and can confirm that each was received from the donor's federal account. With the exception of contributions received from National Health Corporation PAC and Texas Spine and Joint Hospital LTD. PAC, the donor took advantage of the option provided by Commission regulations of making the contribution payable to one of the participants in the joint committee. Additionally, in accordance with Commission regulations and prior enforcement cases, each of these donations was allocated in full to the designated participant. Our committee has no further information regarding the contributions from the two Committees named above." Please amend your report(s) to disclose this activity or clarify this apparent discrepancy.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an

enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1177.

Sincerely,
